About the recommendation process:

The Better Schools Kentucky Committee of JCTA examines each candidate's support of public education. This committee, whose members are comprised of teachers, evaluates incumbents' voting records on public education issues and reviews candidates' answers to questions on education issues. After considering all of this information, the committee recommends candidates who are strong advocates for children, teachers and public education; candidates who will listen to the concerns of classroom teachers; and candidates who feel, as we do, that teachers and public schools are important.

2024 Better Schools Kentucky Committee: Cassie Lyles, Chair; Eric Evans, Vice-chair; Mary Thurman, Treasurer; Chantelle Barbour; Daphne Woolridge; Jana Petrovski; George Nichols JR; Carol Peace; Natalie Rashad; Christina Evans; Dale Warren
